---

July 8, 2014

Aloha,

Hawaiian Canoe Club presents its 14<sup>th</sup> annual 'Aha 'Āina Dinner & Show on Sunday, July 20, 2014 at the King Kamehameha Golf Club Waikapu Ballroom.

'Aha 'Āina is the primary fundraiser for our summer program, which involves more than 150 Maui children each year. Our kids paddle across open-ocean channels, learning the history, stories and protocols of each location. They also work together on conservation efforts, such as planting native trees and working in lo'i kalo.

**Would you please support our keiki by donating an item to our silent auction?**

All contributions are tax-deductible. Silent auction displays will feature business cards, menus, or flyers you provide in order to provide recognition for your gift.

We are happy to arrange pick-up for all donations, per your instructions on the form provided. Please contact us via the contact information in the letterhead above to make arrangements for donation pick-up or drop-off.

Throughout the state, there are 80 canoe clubs representing 9,800 people on five islands. No other canoe club in Hawai'i can match 22 consecutive years of organized cultural and educational programs for youth. Support for HCC will enable more keiki to develop into good citizens and great leaders, for our club and the community at large. We greatly appreciate your kōkua in this effort.

Please contact me to learn more about this opportunity by phone at 893-2124 or via email at [info@hawaiiancanoecub.org](mailto:info@hawaiiancanoecub.org). The Hawaiian Canoe Club website is also a great resource at: [www.hawaiiancanoecub.org](http://www.hawaiiancanoecub.org).

Aloha Pumehana,

Arianna Gerry  
Club Manager
